

2018 Spring Season Evaluations Information - Coach-Pitch

To ensure players are assigned to the appropriate division, OLLB need to evaluate all players. Each player at Coach Pitch level will be evaluated and assigned to either the Canadian (specific skill development) or National (general skill development) division.

Each player is invited to attend two evaluation sessions. To better assess your child skill's level, we strongly recommend that each player attend both sessions.

Once you have arrived at Des Sentiers School, your child will need a pinny shirt with a number.

There will be volunteers there to hand out the shirts. The numbers are predetermined so no switching is allowed.

All players will be escorted into the gymnasium by a volunteer. Considering the high number of players per session and the limited space in the school gymnasium, **PARENTS ARE NOT ALLOWED TO BRING THEIR CHILD TO OR WATCH FROM THE GYMNASIUM AND MUST REMAIN IN THE SCHOOL LOBBY.**

Players only need to bring their ball gloves and running shoes they only wear indoors. Bats and batting helmets will not be needed.

To run smoothly, **we will need 10 helpers per session.** The tasks are, rolling ground balls to players, placing balls on the T's, tossing balls in the air and showing players where to run to. If you are willing to help out, please contact Chris Lang via email at convenorcoachpitch@orleanslittleleague.ca.

For your child's evaluation date/time, please consult the attached tables.

PLEASE ARRIVE 15 MINUTES BEFORE YOUR CHILD'S EVALUATION (See listed CHECK-IN TIME) TO RECEIVE A PINNY AND BE READY FOR THE SCHEDULED EVALUATION TIME.
